Re: Letter of Attestation, FCC ID: SRS-D80-EB

To Whom It May Concern:

I Attest the following, for FCC ID: SRS-D80-EB, the Raveon company will maintain two models with differences described below.

There will be two models of the same hardware design utilizing the same PCB:

1. RV-D80-EB: Data Radio modem for OEMs, and general data communications.
2. RV-M80-EB: Data Radio modem optimized for operation in the BST.

We certify that we are not subject to denial of federal benefits, that includes FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 862. Further, no party, as defined in 47 CFR 1.2002 (b), to the application is subject to denial of federal benefits, that includes FCC benefits

Thank you,
